

FAITH

FAITH

Faith is the substance or assurance of things we hope for, but have not yet received. Faith (confidence, belief, trust) is also our evidence of that which is not seen—the invisible spiritual things.

Hebrews 11:1

Now faith is the assurance of what we hope for and the certainty of what we do not see. Now faith is confidence in what we hope for and assurance about what we do not see. Faith shows the reality of what we hope for; it is the evidence of things we cannot see.
