# EXAMPLE

I have 3 cotton candies here  
and gave another 2 for  
my friends, how many cotton  
candy I have?

# ADDITION SUBTRACTION

## EXAMPLE

$$4 - 2 = 2$$

The diagram shows a light blue circle containing a subtraction problem. On the left, there are four strawberries arranged in two rows of two. A blue minus sign is positioned below them. To the right of the minus sign are two strawberries. To the right of the strawberries is a blue equals sign followed by the number '2'.

I have 4 strawberries, I ate  
them all. How  
many strawberries are left?

# THANK YOU!

See you in the next study session.
